01 **Koha & Financial Support**

- **Marae Operations:** When the marae is used for a tangihanga, we operate on a koha basis to help cover expenses.
- **Manaakitanga:** To support the whānau during this time, the marae will provide a koha toward your first meal (kai) upon arrival.
- **Grants:** Financial support and tangihanga grants are available through Ngā Tāngata Tiaki and Āti hau. Whānau are encouraged to follow these up directly.

02 **Roles & Responsibilities**

- **Hapū Support:** Organisation and facilitation of a tangihanga is the collective responsibility of the wider hapū, rather than the role of the Marae Trustees.
- **Dining Area:** The layout, setup, and day-to-day management of the dining room is the responsibility of the organising whānau.
- **Tent & Whare:** The marae does not supply tents. Sourcing and setting up a tent is the responsibility of the whānau — or utilise the whare instead.
- **Equipment Location:** Pallets for the tent are stored in the old toilet building behind Te Aroha. The carpet is located inside the church.

03 **Marae Tikanga and Kawa**

Our marae is a reflection of our hapū, and we require all users to uphold its safety and mana.

- **Zero Tolerance:** Illegal drugs, alcohol, and fighting are strictly prohibited anywhere on the marae grounds.
- **Smoke and Vape Free:** Not permitted inside any buildings, including the dining hall, top kitchen, both wharepuni, and the Virtual Awa building.
- **Vehicles and Parking:** Driving on the marae grass or parking in the entranceways is strictly prohibited — please use the designated parking areas.
- **Upkeep:** Whānau are responsible for maintaining the cleanliness and upkeep of all areas throughout their stay.

04 Breaches of Policy

Any breach of the above rules may result in the immediate forfeiture of your current booking, additional cleaning or penalty fees, and the decline of any future booking requests.

Using the kitchen, water or power? Full instructions are in the companion **Booking & Facilities Guide**.
